OUR STORY

Our family was born and raised here in Amarillo, Texas. Darren and Kamala Goodheart have called Amarillo home since 1983, Kamala attending Texas Tech University and Darren graduating from Amarillo College. Between starting a family and being young entrepreneur's Darren and Kamala have always had a presence in Amarillo and the surrounding panhandle communities. Our first restaurant opened in Dumas, Texas in 2009. At the time our children were both starting their college studies. Our son was a Red Raider at Texas Tech University, and our daughter was a Fighting Texas Aggie at Texas A&M. At the time both schools were part of the Big 12 and our family was a true house divided. After graduating both of our kids Bray and Kenzee married and started their careers. Each couple has a dedicated showcase of school spirit in our sports bar with the exact replicas of our class rings wrapped around each AC duct. Both kids started their careers working for corporations and living the big city life. At the Thanksgiving table the idea of a truly family owned and operated restaurant in our hometown was born.
